LIST OF FIGURES

Hann Botanical Gardens, Dakar, Senegal. A combination of experimental gardens and a forestry park during colonial times, used, among other things, for the growing of imported and local species of trees for Dakar's avenues (photograph by Liora Bigon).	page 34
1.1 Casablanca's new indigenous quarter (medina). Architects: Laprade, Cadet and Brion (French postcard, author's collection).	42
1.2 Fez, Mohamed V Avenue and Clémenceau Square. The villa sector and its curved streets are shown at the right margin (French postcard, author's collection).	44
2.1 Dakar's quarters by the 1950s. 1) Forestry Park of Hann (Hann Botanical Gardens); 2) Hann Garden City (Cité-jardin de Hann) (original drawing by Tamar Soffer).	57
2.2 Villa from the 1930s on Dakar's Plateau (photograph by Liora Bigon).	61
2.3 French postcard showing a street in Dakar-ville, 1910s (author's collection).	62
2.4 The gardens of Dakar's City Hall (Hôtel de Ville) (photograph by Liora Bigon).	66
2.5 Public garden of the Place de l'Indépendance, Dakar (photograph by Liora Bigon).	67
3.1 Places mentioned in the text marked on a map of French colonial Africa (original map made by Liora Bigon).	76
3.2 Saint-Louis of Senegal, the central avenue of Guet N'Dar quarter. The regulated plantations of coconut trees on each side of the avenue contributed to the creation of the public space (postcard from the early twentieth century, author's collection).	81
3.3 Saint-Louis of Senegal, the central avenue of Guet N'Dar quarter (photograph by Liora Bigon).	82
3.4 Panoramic view of the lower town of Bamako from the hill of 'Point F', today's Koulouba, where the Government Palace was erected (private collection).	87
3.5 French administrative building on Koulouba (private collection).	89
4.1 Lanchester's suggestion for 'hutting grounds to the east', segregated from new European suburbs (from Henry Lanchester, <i>Zanzibar: A Study in Tropical Town Planning</i> [Cheltenham: Barrow, 1923], p. 43).	101
4.2 Zanzibar and its environs by the 2010s in relation to Lanchester Plan area (original map by University of Kansas cartographic services).	108

LIST OF FIGURES

A proposal of the Association for the Founding of the Model Rural Settlement and Garden City in Eretz Israel (1917) titled 'Provisional Plan for Garden City by MAAGAL' (The Association for the Founding of the Model Rural Settlement, <i>Garden City in Eretz Israel</i> , p. 5).	122
5.1 <i>A Garden City for Palestine</i> , front cover, with a sketch by Hermann Struck (<i>Eine Gartenstadt für Palaestina</i> [Berlin: Jüdischer Verlag, 1920]).	133
5.2 Alex Baerwald, 'Future Image of the Nordau Garden City from a Bird's-Eye View' (1919) (<i>Eine Gartenstadt für Palaestina</i> [Berlin: Jüdischer Verlag, 1920], appendix).	134
5.3 Alexander Levy, <i>On Building and Housing in the New Palestine</i> , front cover (<i>Vom Bauen und Wohnen im neuen Palästina</i> [Berlin: Welt-Verlag, 1920]).	139
6.1 Places mentioned in the text marked on present-day map of Israel (original drawing by Tamar Soffer).	145
6.2 Kauffmann's original plan for Talpiot, 1921 (from the collections of the Central Zionist Archives, Jerusalem, MM\24\15).	151
6.3 Beyth Ha-Kerem's 'Crown' from one of its first streets, showing the David Yellin teachers' seminar dating from 1913, Jerusalem (photograph by Liora Bigon).	152
6.4 One of the first Arab houses in Talbiya, Jerusalem (photograph by Liora Bigon).	156
6.5 A proposal of the Association for the Founding of the Model Rural Settlement and Garden City in Eretz Israel (1917) titled 'Provisional Plan for Garden City by MAAGAL' (The Association for the Founding of the Model Rural Settlement, <i>Garden City in Eretz Israel</i> , p. 5).	159
7.1 'Ahuzat Bayit' by Nahum Gutman (courtesy of Gutman Museum, Tel Aviv, and Gutman family).	176
7.2 Aerial photograph showing the urban pattern of Ahuzat Bayit (within the demarcated area), Jaffa and the old neighbourhoods (courtesy of Dr Dov Gavish, Jerusalem. Reproduced from Dov Gavish, 'The first mapping of Tel Aviv with the help of aerial photos', <i>Ariel</i> , 48/49 [March 1987], 109).	180
7.3 Comparison between Howard's planned 'ward' of the garden city and Ahuzat Bayit's plan (drawing by Tamar Soffer after: (a) Howard, <i>Garden Cities</i> , p. 12, and (b) a plan found in the collection of the late Akiva Arich Weiss).	183
