Archives

Admiralty papers, The National Archives, London.
Henry Marc Brunel papers, Bristol University Special collections, Bristol.
Isambard Kingdom Brunel papers, Bristol University Special collections, Bristol.
William Gladstone papers, British Library, London.
James Graham papers, Cambridge University Library, Cambridge.
John Fisher papers, Churchill College Archive, Cambridge.
Halifax papers, Borthwick Institute, York University, York.
William Schaw Lindsay papers, National Maritime Museum, London.
Alexander Milne papers, National Maritime Museum, London.
Napier papers, Glasgow University Archive Service, Glasgow.
Charles Parsons correspondence, St John's College archive, Cambridge.
Charles Parsons papers, Birr Castle archive, Birr.
W.T. Stead papers, Churchill College, Cambridge.
William Houston Stewart papers, National Maritime Museum, London.
George Stokes papers, Cambridge University Manuscripts Room, Cambridge.
William Thomson papers, Glasgow University Special Collections, Glasgow.
Baldwin Walker papers, Jagger Library, University of Cape Town, Cape Town.

Parliamentary papers (House of Commons)

Committee on designs for ships-of-war, 1872 (C477).
Committee to inquire into case of H.M.S. *Megaera*, report, minutes of evidence, appendix, 1872 (C507).
Correspondence between Admiralty and Rev. C.M. Ramus on certain Experiments, 1874 (313).
Correspondence on turret ships, 1866 (395).
Hansard.
Letters from Admiralty to late Captain C.P. Coles, 1871 (163).
Letter of Admiral Sir Spencer Robinson, K.C.B., to the First Lord of the Admiralty on the Report of the committee on designs for ships of war, 1872 (C487).

- Minute by First Lord of Admiralty, with reference to H.M.S. Captain; with Minutes of Proceedings of Court Martial, 1871 (C254).
- Naval construction, 1847 (289).
- Navy. Design for first class battle ships, 1889 (C5635).
- Navy. Reports of committees appointed to inquire into Admiralty and dockyard administration and expenditure, 1886 (C4615).
- Navy (trial cruises), 1845 (394).
- Opinions of naval officers on merits of turret ship, 1867/8 (501).
- Report of Admiralty committee on turret ships, 1866 (87).
- Royal Commission on Scientific Instruction and Advancement of Science volume II, 1874 (C958).
- School of naval architecture, 1833 (185).
