Acknowledgements

The authors would like to thank the following people for sharing their ideas and expertise with us and/or for looking at early drafts of the manuscript: Lizelle Bisschoff, Alison Donnell, Charles Forsdick, Gary Needham, Aedín Ní Loingsigh, Bert Ross, Andy Stafford, Michael Syrotinski. We would also like to thank the Arts and Humanities Research Council for the support it provided via its research leave scheme, which gave us both the opportunity to complete our respective sections of the manuscript. David Murphy would like to thank the British Academy and the Leverhulme Trust for their financial support, which allowed him to carry out important archival research at the Cinémathèque Afrique in Paris, where Jeanick LeNaour was always willing to share her vast knowledge of Francophone African cinema. Finally, we would like to acknowledge the support of our friends and families, in particular, Aedín and Jen, who always allowed us to put things in perspective, even in the more fraught stages of producing the manuscript. This book is dedicated to them with love.
