Bibliographical note

There is, as far as I am aware, no complete list of political apologies. A list compiled by G. Dodds entitled 'Political apologies: chronological list' covers the period to 2002 and can be accessed at <http://reserve.mg2.org/apologies.htm>. The appendix to Nobles, *The Politics of Official Apologies* lists apologies up to mid-2005. There is a website link to various articles and research about apology administered by R. Howard-Hassmann at 'Political Apologies and Reparations', www.political-apologies.wlu.ca.

The following references provide further details concerning case studies mentioned in the text. Where short titles are used, the full reference is in the Bibliography.
